

STUDENT CODE OF CONDUCT

Ohio Revised Code §3313.66 requires that students are provided with a written notice of intent to suspend prior to being suspended. The statute also requires that students and parents are provided with a written notice of intent to expel. The notices shall include: (1) a statement of intent to discipline; (2) a description of the acts which were in violation of the student and/or athletic code of conduct; (3) specific rules of the Student Code of Conduct which were violated; and (4) the dates of the suspension, expulsion.

The written notice of intent to suspend shall be given to the student at an informal hearing. The notice of intent to expel shall be sent to the student and his/her parents and the students and parents will be provided an opportunity for an informal hearing prior to a decision to expel.

Students will receive an unexcused absence for each school day missed as a result of a suspension and/or expulsion.

A student or his/her parents may appeal any decision of the Oak Hills Local School District administration to suspend a student from school to the superintendent/designee. A student or his/her parents may appeal an expulsion from school to the Board of Education or its designee. A student or parent must request an appeal in writing within 10 days after the discipline measure takes effect. The student and his/her parent may be represented in all appeal hearings. Pursuant to Ohio law, a student or parent may further appeal an expulsion, suspension to the Hamilton County Court of Common Pleas.

It is the policy of Oak Hills Local School District Board of Education that students shall not be permitted to return to school pending any appeal process with the administration or the court. The school district will make every effort to promptly hear all appeals to minimize a student's absence from school. Should the Board of Education, the superintendent, or their designees, reverse or modify a discipline decision and permit a student to return to school, such student shall be permitted ample time to make up all assignments and work missed as a result of his/her absence.

This Code of Regulations is adopted by the Board of Education of the Oak Hills Local School District pursuant to Sections 3313.661 and 3313.662, Ohio Revised Code.

Any student engaging in the following types of conduct listed below (either specifically or generally) is subject to expulsion, suspension, emergency suspension, removal or permanent exclusion from curricular activities pursuant to the Ohio Revised Code.

This Code of Regulations applies while a student is in the custody or control of the school, on school grounds or closely proximate thereto, while at a school-sponsored function, school organization function or activity, or on school-owned or provided transportation vehicles. In addition, the Student Code of Conduct governs student activities at all times on or off school property when such student conduct is reasonably related to the health, safety and welfare of students or such conduct would unreasonably interrupt the educational processes of the Oak Hills Local School District.

The superintendent/designee may require a student to perform community service in conjunction with or in place of a suspension or expulsion. The guidelines under which this community service shall be performed are:

- a. The student and parent will execute a document agreeing to the community service in conjunction with or in place of a suspension or expulsion. If community service is not completed to the superintendent/designee's satisfaction, all or part of the suspension or expulsion may be reinstated.
- b. Community service shall be performed at the place and time designated by the superintendent/designee.
- c. Community service is an option to be utilized at the sole discretion of the superintendent/designee and is not available at the discretion of the student and parent.
- d. Any failure to complete community service in a timely and acceptable manner shall result in the immediate cancellation of the community service option and the immediate imposition of suspension or expulsion. Prior to imposing a suspension/expulsion for failure to complete community service, the parent/guardian and student shall be sent a written notice of the superintendent/designee's intention and shall have three (3) days from the mailing of the notice to request a meeting with the superintendent to show cause why the suspension/expulsion should not be imposed.
