Principal's Report	Amy Brennan	<p>Our staff leadership team has created a draft of our updated vision and core beliefs statements based on feedback from staff and parent engagements. We hope to finalize these statements soon. If you have feedback, please let me know!</p> <p>We also have a staff team working on a schoolwide positive behavior system, with the goal of implementing it next school year. Creating a schoolwide positive behavior system fulfills a state requirement but, more importantly, we also believe that it is an important support in achieving our vision of encouraging respect for self and others and fostering students' social competencies. As an initial step, we have created this schoolwide behavior matrix using feedback from teachers and parents. It describes the specific behaviors we hope to see in key areas of the building. Please let me know if you have feedback or questions.</p> <p>There is a proposal to change parent-teacher conferences for elementary buildings in the 2015-2016 school year and all elementary buildings are seeking feedback from their PTA boards. The proposal is below.</p> <ul style="list-style-type: none"> ● (2) 4-hour nights and (1) 3-hour night earlier in the fall (following 1st quarter); (1) 3-hour night in winter (following 2nd quarter) <ul style="list-style-type: none"> ○ Winter meeting would be an opportunity to meet with families of students who are struggling ○ ½ hour break within each night ■ 10/27: 4:00 - 8:00 ■ 10/29: 4:00 - 8:00 ■ 11/4: 4:00 - 7:00 ■ 1/26: 4:00 - 7:00
